

About the Cyber Security Industry Alliance:

CSIA is the only advocacy group dedicated to ensuring the privacy, reliability and integrity of information systems through public policy, technology, education and awareness. The organization is led by CEOs from the world's top security providers, who offer the technical expertise, depth and focus to encourage a better understanding of security issues. It is the belief of the CSIA that a comprehensive approach to ensuring the security of information systems is fundamental to global protection and economic stability.

Mission:

To enhance cyber security through public policy initiatives, public sector partnerships, corporate outreach, academic programs, alignment behind emerging industry technology standards and public education.

Membership:
